Elba teachers nominated for 'Hall of Fame'

An elementary teacher and a secondary teacher have been nominated by the Elba School System for the Teacher Hall of Fame Awards.

Mrs. Louise F. Bozeman was nominated as the elementary teacher and Mrs. Sue W. Adkison as the secondary teacher.

Mrs. Bozeman graduated from Elba High School in 1950. She received a Bachelor of Science degree and a Master of Science degree in elementary education from Troy State University.

Most of her 20 years in the Elba City School System have been spent teaching first grade. She has also taught remedial reading and has worked in the summer Headstart programs.

Mrs. Bozeman has been an active member of the Elba Education Association, the Alabama Education Association and the National Education Association since she started teaching in 1967, and is currently president of EEA. She is a member of Zion Chapel Baptist Church where she teaches a

ladies Sunday School class, is a member of a church training class, the pulpit committee, lighting committee, and is chairperson of the homecoming committee.

Mrs. Bozeman and the late Weldon Bozeman have four children: Renita Marler, Elba; Robin Bozeman, Montgomery; Rhonda Brunson, Elba; and Rachelle Greek of Atlanta. They have five grandchildren.

Mrs. Bozeman said her goal as a teacher is "to help each child reach his or her greatest potential academically and become a productive member of society."

Mrs. Sue Adkison graduated from Opp High School in 1963 and then attended Troy State University, graduating cum laude in 1966. She received a BS degree with a major in mathematics and a minor in biological science. She was selected to attend Auburn University as a member of the National Science Foundation (NSF) Institute for Teachers of Mathematics and

Science. She received a M.Ed. degree in math from Auburn in August, 1972.

Mrs. Adkison began her teaching career in 1966 at Elba teaching Algebra I during summer school. She has taught math for 21 years at Elba and is chairman of the math department. She is also sponsor of Vu Alpha Theta, an international high school and junior college honorary mathematics organization.

While at Elba, she has taught seventh-, eighth- and ninth-grade math, business math, pre-algebra, Algebra I, geometry, Algebra II, trigonometry and advanced math,

and analysis.

Mrs. Adkison is a member of Fairview Baptist Church, the Elba Education Association, Alabama Education Association, National Education Association, Alabama Council of Teachers of Math, Coffee County Cowbells, Phi Kappa Phi, and is vice president, president-elect of the Alpha Psi Chapter of Alpha Delta Kappa, an international honorary teacher's sorority.

She is married to Dykes Adkison and they reside in the Fairview Community. They have two children: Markell - a ninth-grader at Elba High School and Jarrod, a fourth-grader at Elba Middle School.

Mrs. Louise Bozeman

Mrs. Sue Adkison

Fall Festival set for Saturday

Thirty years ago Elba established a tradition in the observance of the first Fall Festival in 1957. The following is an excerpt from the Oct. 24, 1957, issue of the Clipper:

"Elba's first annual Fall Festival Saturday will mark another stride forward in the progress of Elba. The day has been designated as the first annual event of its kind, and the progress of individual business firms in Elba is told in advertisements in

this issue of the Clipper."

"Now, 30 years later, we're continuing this tradition, and with your participation, hope to make it the best ever," said Gene Kennett, executive director of the Elba Chamber of Commerce.

Sponsored by the Elba Chamber of Commerce, the festival will be a fun-filled day for the entire family. There will be the "foggy bottom" Arts and Crafts Show, an antique car

show, the bass tournament on Pea River, live entertainment throughout the day and displays by local businesses, industries, military, clubs and merchants.

"Come and bring the whole family and all the kinfolk to the Square", and Pea River - this Saturday.

ENTERTAINMENT SCHEDULE
10:00 - 10:30 - Elba Tiger Marching Band

10:30 - 10:45 - Break
10:45 - 11:15 - Art Williams, ventriloquist
11:15 - 11:30 - Break
11:30 - 12:00 - Matt Gingery & Kim Longworth

12:00 - 3:00 - Swing Shift Band with Elba's Carlton Bowden

Also, there will be a Magic Show at the Senior Citizens Center on East Simmons at 11:30. Admission - 50 cents. For children only.

'Turkeywalk' to benefit

American Heart Association

The American Heart Association Turkeywalk will be held Nov. 12, to be sponsored by the Elba Unit.

The event will begin at 9 a.m., and walkers of all ages are expected. Walkers will meet at the parking lot of First Assembly of God to register at 8 a.m. There will be a \$5.00 registration fee with each walker to receive a Turkeywalk T-shirt free.

According to Lois Holt, chairperson, the funds raised through Turkeywalk donations will support the American Heart Association's research, public and professional

education, and community service programs. However, Turkeywalk also presents another message, Mrs. Holt added.

"We're trying to spread the word that walking can help people get physically fit and condition their lungs and hearts, and it's an activity the entire family can enjoy."

Also, the walk will point out that a diet including low-fat poultry such as turkey is important not only around the holidays but all year.

Walkers who collect pledges of \$50 or more will get a certificate for a free turkey.

Investigation by state reveals Coffee County

Human Resources agency is outstanding

The Coffee County Dept. of Human Resources released its monthly report last week and in the bulletin director Ron Smith stated the county agency had good community support and was one of the "best in the state."

Smith reported that the county department was continuing to operate in an effective and efficient manner and that all work was being handled in an excellent manner. The county director did state that there was a vacancy in the food stamp office, but added that he had informed the regional coordinator of the vacancy and was confident the need would be met soon.

Service Unit supervisor Cathie Hansen reported her unit had conducted a total of 24 investigations during the past month, including 21 cases of child abuse. The child abuse cases included 8 cases of physical abuse, 3 cases of sexual abuse and 10 cases involving neglect. Other investigations included one case of adult abuse and one case of a request from another agency.

Open cases being investigated included adult protective services - 84, adult Medicaid waiver - 33, adoptions - 17; foster care - 44; day care homes - 27; foster homes - 27; and child protective services - 149.

Hansen reported that the state conducted a written evaluation and an onsite visit and the local agency was found to be giving high quality service. All investigations were found to be thorough and complete, and the overall report listed the work of the agency as outstanding.

Community Resources and Child Support supervisor Glenda Smith stated that in September she had the opportunity of being in the county school system and made contact with approximately 540 students. Information was shared about the changing family unit and recognizing some of the problems they face.

Smith also reported that the child support program was continuing to

grow and that total collections for the third quarter were \$92,478.04. The figure represented an increase of over \$14,000 from the same quarter of a year ago. The child support unit handled 980 case records in September, including face-to-face interviews, phone calls, mail and court.

Eligibility Unit supervisor Dianne Parker reported that the agency had one case in court for Aid to Dependent Children - food stamp fraud and the client pled guilty and repayment agreements were signed.

The resolution of the lawsuit involving persons denied or terminated ADC or Medicaid between Oct. 1, 1984, and Feb. 4, 1987, generated a number of calls and contacts with clients, according to Parker, and approximately 145 notices were sent to Coffee County

recipients who had cases that were closed during the time period.

The suit, Ward et al vs. Hunt, centered on those persons denied or terminated due to senior parent deeming or sibling deeming income/resources caused by assistance unit provisions.

Food Stamp Program supervisor Debbie Jones stated that her department issued food stamps to a total of 1,148 households with total members totaling 2,877. New cases approved totaled 49, while 31 were denied and 67 pending. One hundred twenty recertifications were reported and 10 cases denied.

Jones added that the local agency had four revocation hearings sent to the attorney general and one claims case to be arraigned for court.

Donations sought for blood cancer treatment needed for former Elba resident

Mary Bruce, 14-year-old daughter of Bill and Bebie Bruce of Dothan, is suffering from a life-threatening illness that is defying treatment. It is a blood cancer that can be treated by bone marrow transplants, providing a suitable donor can be located. None has been found at this time, as her immediate family has all been rejected as mismatches.

A highly experimental treatment is available for people in this

situation, but the cost is \$100,000. A special fund has been established for Mary in a Dothan bank. Those interested in making a donation should send it to: SouthTrust Bank, Attn: Hank Gerards, Mary Bruce Trust Fund, P.O. Box 809, Dothan, AL 36302.

Bill Bruce is an Elba native and was the popular principal of the Elba Elementary School before accepting a position with the Dothan School System.

top general surgeons.

Drs. Dan and Sam Sawyer, sons of Felix and Maxine Sawyer of New Brockton, returned to Coffee County to "help the people we were raised with" and now practice at the Elba clinic in addition to operating the Sawyer Surgery Clinic in Enterprise.

"When we were going to school people would always stop and ask us when we were going to come home and be doctors," stated Dr. Sam Sawyer, the younger of the brothers, "and both of us made a commitment to return to Coffee County and provide needed medical care to the people we were raised with and grew to love and respect."

"Many of our patients have known us for years, and while that can cause problems when a patient gets critically ill, we feel we owe it to these people to give them the quality medical treatment they deserve, and we will do just that."

"We are not only the doctors to our patients, but also Coffee County

natives that want to be more than just doctors -- we want to be their friends."

Dr. Dan Sawyer is a graduate of Enterprise High School and attended Birmingham Southern University and the University of South Alabama Medical School in Mobile. He received specialized surgical training at Carraway Methodist Hospital in Birmingham, and later became the first board-certified general surgeon in Coffee County.

Dr. Sam Sawyer also graduated from Enterprise High School and after attending Enterprise State Junior College for a year transferred to Birmingham Southern. He attended the University of Alabama-Birmingham Medical School and received surgical training at the Ochsner Foundation Hospital in New Orleans.

"A general surgeon enjoys a wide variety of surgical skills," stated Dr. Sam Sawyer, "and while we are not strictly specialists, we are

highly trained and most capable of handling surgical procedures that include thoracic, vascular and plastic surgery.

"Most patients that see a surgeon are referred to the surgeon by another doctor; however, if a patient detects a skin problem such as a lump, or has a gastro problem, they should come to a general surgeon as soon as possible."

"We have both been very impressed with Elba General Hospital," added Dr. Sawyer. "Many smaller community hospitals are old and outdated; however, here at Elba General the equipment is outstanding and the atmosphere is one of professionalism and friendliness. We both feel right at home here and hope the people in the area will gain confidence in the hospital and us and give us all a chance to be their primary source of medical care."

Kidnapping & burglary charges filed

A Coffee County man arrested last week after allegedly holding his estranged wife hostage for four days has been charged with kidnapping and burglary.

According to Coffee County Sheriff's Dept. officials, Mickey Parks was arrested Oct. 21 at his rural Coffee County residence after apparently taking his wife hostage

and beating her boyfriend with a tire iron at a trailer on Oct. 18.

Parks allegedly entered the house trailer of Randall Lee, located near the Jack Community, prior to midnight on Oct. 18 and beat Lee numerous times with a tire iron after reportedly finding his wife and Lee asleep in the trailer. Law enforce-

ment officials searched for the couple for three days before finding Parks crouched in the corner of his home holding a knife to the throat of his wife and threatening to "cut her head off."

Mrs. Parks reportedly suffered a broken wrist and a head injury during the four-day ordeal.

SE Alabama Gas District to add late charges

Effective Dec. 1, 1987, the Southeast Alabama Gas District will

begin assessing a five percent late charge on all bills paid after the due

Rep. Holley named outstanding

Coffee County Rep. Jimmy Holley of Elba is included on a group of 5 senators and 16 representatives selected by their peers as outstanding members of the 1987 Alabama legislature.

Sponsored by the Alabama League of Savings Institutions, the Outstanding Legislator program is designed to "recognize and honor in a special way the outstanding

members of the Alabama legislature who have distinguished themselves by positive and constructive aspects of their public service," according to Larry Vinson, president of the league.

All bills in Elba have previously been mailed on the 23rd of the month. Effective in December, Elba bills will be mailed on the 15th of the month. Your bills will still be due 12 days from the date postmarked.

BRAINSTORMS

By Ferrin Cox

The Elba Fall Festival is scheduled for this Saturday. It includes the annual Pea River Bass Tournament and we should have some water in the river by Saturday. It ain't much but the showers we got ("are getting") as this is written will help settle the dust for a couple of days and maybe will give the fish something to swim around in for a while. That is if they ain't forgotten how to swim!

The Elba football team is again hitting the trail for the state playoffs. We are tired and are kinda looking forward to a Friday night at home, but not at their expense. Actually they should be more tired than me, since they are at it five days a week for the entire season, and several additional weeks before the first game. We wish them luck and promise to be there as long as they are.

Band folks should be a bit weary also. They are practicing, going to every ball game we attend and then are trouping around the South entering marching contests on Saturdays. It is great to be young, because I simply couldn't keep up the pace.

We understand there was a split vote on the purchase of a building for the health department in Enterprise. We can't comment on the particular building voted on, because we have never been in it. Neither do we know the real needs of the health department. We do know that government types sometimes have wants that don't measure up to the needs in a same size private enterprise. However, buying (or building) an office in Enterprise will cut off the idea of building one central office for the health department in New Brockton. We heard this debated for years about the courthouse, and if there is anything that needs to be located close to the people is the health department. The winning argument on keeping two courthouses was to help the people who needed to visit the courthouse. This would surely be applied to the health department if any such move was seriously being considered by the county commission majority. Spend our money wisely, gentlemen . . . please.

Mary Bruce, daughter of Mr. and Mrs. Bill Bruce of Dothan, is suffering from a blood cancer that needs a new treatment. She had been in remission but the 14-year-old girl is now showing a return of the problems and none of the immediate family has the right bone marrow for a transplant. An expensive treatment is available but the cost is \$100,000. You will remember Bill, an Elba native, was principal of the Elba Elementary School before moving to Dothan. Also Mary is such a sweet girl . . . help if you can.

Shorty Martin missed the Elba-Daleville football game last Friday night because his heart started acting up again. He is still in the hospital, but did get to watch the Auburn ball game Saturday night. It has been recommended that Martin be charged a double admission for any football game he attends, because he gets so much out of the game. It is no doubt Shorty sees at least twice as much as anyone else at the game . . . and remembers it all. We doubt he would object either, because there is no human on this earth that gets more pleasure out of the game and talking about it later than Willard Martin, Elba, Alabama.

A couple of weeks ago we had our hand called on a front-page article and a **Brainstorm** comment. We wrote on the front about the losses of the utility department. Well, the next day we found on our desk a note explaining that several thousand of that had been collected. Indeed the financial statement includes a column of this, and we thought it had been subtracted from our printed \$17,000 figure. If this be as presented, then the bad debt losses are only \$12,000 for the year. We want to tell it right. Now the other was our editorial comments and we don't concede that we erred. We questioned the transfer of an additional \$5,000 monthly from the Water and Electric Department to the city without approval of the W & E Board. We were given a copy of 1984 minutes which said . . . "that all transfers to the city general fund will be considered as grants." We remember this as we were at the meeting. It was done at the request of the auditors because every year it took special action to clear the transfers before the audit could be completed. However, we don't read this to mean Board employees can transfer any amounts they please, at any time they please . . . same as the water tank the attorney general's office explained could put someone in jail. This was proper, then it would be proper to pass a motion that all purchases of trucks would be charged to . . . well something . . . and forevermore employees would buy trucks whenever they wanted without approval, or even telling the board. It ain't right, ladies and gentlemen. Those board members promised after the water tank issue (when their attorney read them the law we were citing) that they were going to have better control, but . . . To repeat — we don't oppose transferring Water and Electric funds to the city general fund — we do oppose any such taking place without knowledge of the board appointed to run the utility. So do state law and the bondholders.

Elba Senior Citizens Celebrate Halloween

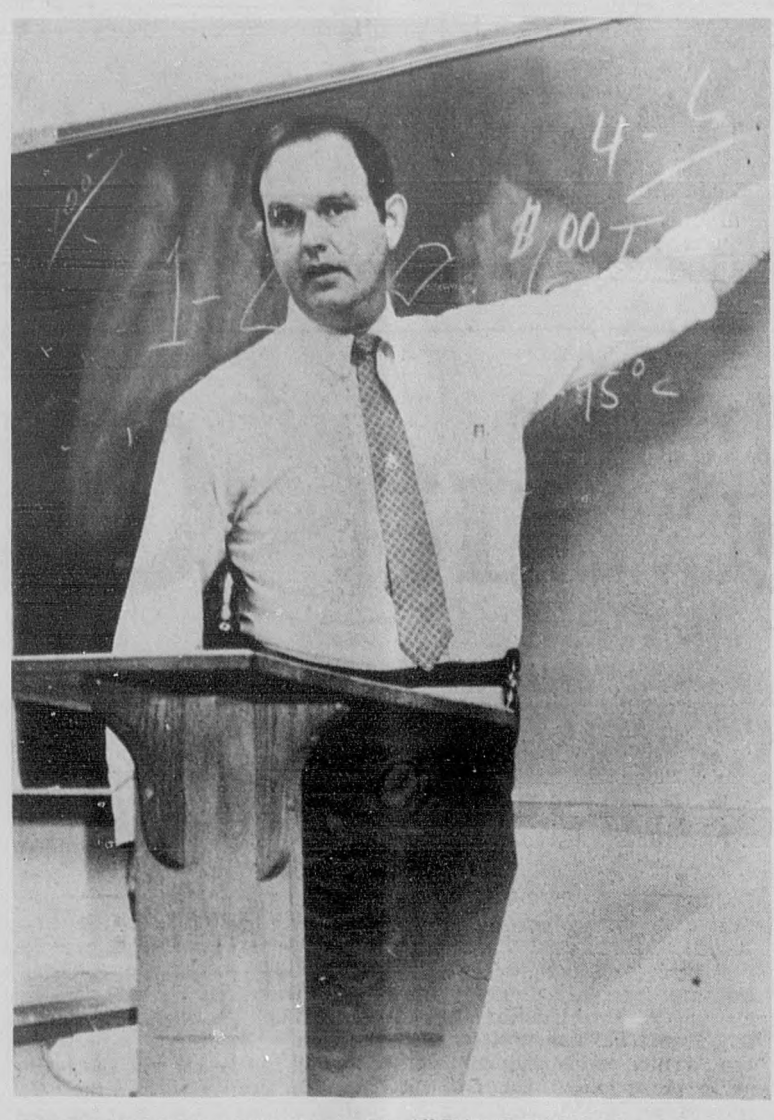

The Elba Senior Citizens celebrated Halloween with a costume affair recently and coming out to the festivities were the grand Southern belle, ladies of the night, witches, goblins, clowns, pirates, hobos and the mystic lady.

During the evening the group was entertained by Art Williams and his friend Andy. Handmade sugarbush brooms made by Della Whitman, a member

of the group, were auctioned off. The center was decorated with pumpkins, gourds, autumn leaves, black cats and crocheted witches and jack-o-lanterns.

A delicious dinner consisting of baked ham, pumpkin, potatoes, green beans, spiced apple rings, rolls and ice cream was enjoyed by the 76 guests present.

Survivors include her daughter, Nina Herring, Montgomery; son-in-

SHERIFF SPEAKS: Coffee County Sheriff Brice Paul recently spoke to the Personal Health Class at Enterprise State Junior College. The class, taught by Pansy Elliot, has been studying drugs and their effects on the human body. Sheriff Paul addressed the illegal drug situation in our area and what his department is doing to reduce the availability of harmful drugs.

OBITUARIES

MARY KILPATRICK WHITE

Mrs. Mary Kilpatrick White of Fairburn, Ga., died Oct. 26, 1987. Funeral services were held Oct. 28 with interment in Westview Cemetery in Atlanta, Ga.

Mrs. White was a member of the First Baptist Church of Fairburn, and was retired from Western Union and the Justice Dept. in Washington, D.C.

She is survived by her husband, Claude White of Fairburn, an Elba native, stepdaughter, Miss Edna White of Fairburn, and other relatives.

BILLY DONALD MCCOLLOUGH — Mr. Billy Donald McCollough, age 57, of Elba, died at his home Nov. 3, 1987.

Funeral services are being held today (Thursday, Nov. 5), at 2 p.m. from the Hayes Funeral Home Chapel, with Rev. Matix King and Rev. David Richburg officiating. Burial will be in Evergreen Cemetery with Hayes directing.

Survivors include his wife; Helen McCollough, Elba; his father: Singleton Randolph McCollough, Elba; his sister: Louise Nicholson, Elba.

Visitation at 6 p.m. Wednesday.

LOIS ENGLISH — Mrs. Lois English, age 84, of Elba, died October 28, 1987, in a Montgomery hospital.

Funeral services were held Oct. 30 from Hayes Funeral Home Chapel, with burial in Evergreen Cemetery, Hayes directing.

Survivors include her daughter: Nina Herring, Montgomery; son-in-

ELBA POLICE REPORT

The Elba Police Dept. reported an active week with a total of 9 arrests (harassment - 2, highway intoxication - 2, reckless endangerment - 2, attempting to elude, resisting arrest and violation of prohibition law) and 12 traffic citations (running red light, running stop sign, speeding, driving under the influence - 6, no driver's license and expired tag - 2).

Following are daily activity reports:

FRIDAY, OCT. 30 — Activity included a wreck at Smith Ave. and Riverview (7:41 a.m.), a disturbance at Jones St. (5:31 p.m.), a grass fire on 87 N. (5:58 p.m.) and a light at a residence on Taylor Mill Rd. (11:48 p.m.).

SATURDAY, OCT. 31 — Activity included a wreck at Hardee's (7:52 a.m.), a wreck at the Haunted House (7:11 p.m.) and a subject with a gun on Bourbon St. (9:53 p.m.).

SUNDAY, NOV. 1 — Activity included a fire on the High School (10:43 a.m.), a disturbance at Morrow Village (3:33 p.m.) and a fight at Putnam St. (7:22 p.m.).

MONDAY, NOV. 2 — Activity included a grass fire at Zion Chapel High School (2:30 p.m.) and a subject with a gun (4:02 p.m.).

Farm-City Week Nov. 19-26 In County — Farm-City Week in Coffee County is scheduled for Nov. 19-26, and Tom Casaday is heading up promotions for the week.

Others on the committee include: Bill Faulk, county commissioner and last year's chairman; Gene Kennett, Elba Chamber of Commerce director; Dud English, Elba City Clerk; Dan Presley and Sandra Coffey, Coffee County agents; Steve Musser, Soil Conservation Service; Paul Kennedy, Soil Conservation Service; Jeanette Moates, Enterprise; Joe Rutkowski and Bill Monts, Enterprise; Chamber of Commerce; Yancey Parker, Wade Hughes and Roy Shoffner, Enterprise; Maxie Bozeman, Elba; Bob Helms, Enterprise.

A new item on the agenda for this year's activities is a visit by local farmers and dignitaries to F. Rucker for a tour of some of the facilities there. Tentative date for this tour is Dec. 1.

Other activities include the annual Farm Bureau dinner on Nov. 23 at 7 p.m. in the Farm Center; Young Farmers Banquet on Nov. 24, also at the Farm Center, at 7 p.m.; recognition of the Coffee County Farm of Distinction; visits to schools of the county to include farm animals; speakers at clubs; visit to the Moates farm in Enterprise by Special Education and Training Center classes.

For more information about the Farm-City Week call Tom Casaday at 347-0048.

NEWS FROM OUR EARLY FILES

TEN YEARS AGO

NOVEMBER 3, 1977

***Wendy Anderson, a junior from Elba, is one of 10 finalists in the Miss Huntington College competition for 1977-78. She is the daughter of Mr. and Mrs. K.W. Anderson of Elba.

***Lula Powell, daughter of Mr. and Mrs. Roland Powell, age 11, and a 6th-grader at Elba Middle School, was winner of the Halloween chicken-soup ticket contest. Bill Bruckner, age 9, son of Mr. and Mrs. Bob Bruckner, was second-place winner.

***EHS News: Spirit Week at Elba High School was sponsored by the varsity cheerleaders, and chosen "cutest couple" were Sylvia Padgett and Waylon Sharpless in their overalls. The cheerleaders also were dressed in overalls: Benita Flowers, Renee McKinnon, Julie Holliday, Leisha Daniels, Jackie Prescott, Verlon Daniels, Phyllis Hartsell, Teresa Smith . . . Seniors of the Week: Freida Davis, Larry Phillips, Phoebe Allen.

***Sharon Lynn Young, daughter of Mr. and Mrs. Harry Young, celebrated her first birthday with a Halloween party at the home of her Mauna Rhea . . . Little Joey Eagerton was one year old on Sept. 6. He is the son of Nadine and Lynn Eagerton, grandson of Parker and Irene Grant, and Mrs. Onyx Tillman of Elba.

***Mr. and Mrs. S.T. Hammonds of Elba announce the engagement of their forthcoming marriage of their daughter, Debra Allen, to Edward McCollough, Jr., son of Mr. and Mrs. Edward Marshall Brown Sr. and Mrs. Myrtle Brown of Chandler, Ok.

TWENTY YEARS AGO
NOVEMBER 9, 1967

***Helplessly watching home being

destroyed by fire was Miss Polly Ann Clark of Huntsville who was visiting her mother, Mrs. Ruby Clark, last weekend. In the house with her at the time were her mother and nephew Buddy, son of Mr. and Mrs. William Gordon Clark, Mrs. Owen

occupied the apartment in the rear. ***Elba people receiving outstanding performance ratings at Rucker lately were Katreen Vaughan, Virginia Windham, Merle Wise, Donna Smart and Patsy Fry.

***Around Town, with Cleo Hiner: TSGT and Mrs. Jack Prescott have returned from the Philippines where Sgt. Prescott recently completed a two-year tour of duty with the Air Force. They are visiting friends and relatives in Elba, enroute to Ochs AFB, Boston, Mass.

***Mr. and Mrs. Joe English are proudly showing off their son, James Ross, who is now six weeks old. He was born Sept. 25 in an Enterprise hospital and weighed 8 lbs. 1 oz. at birth. Mr. and Mrs. English also have a 2 1/2-year-old daughter, Cara English.

***Misses Janet Daniels, Vicki Vaughan and Christina Cooper were weekend guests of Miss Betty Banks in Andalusia.

***Tom Casaday and Collis Free are shown with the 4-inch pipe extending from storage to lot of Mr. Free's dairy barn which transports feed to the cows.

THIRTY YEARS AGO
NOVEMBER 7, 1957

It is a brotherhood of those who share a common spiritual existence. The warmth of fellowship was one of the outstanding characteristics of the early church.

In a world governed by the machine-like Roman empire, where the individual was practically ignored, man longed for a fellowship where he might lose the feeling of loneliness and helplessness. It was a world one of the strongest drawing features of the church was the warm and solidary of fellowship; a fellowship where men and women became brothers and sisters in Christ.

To hold up the moral standard: The church is "the Light of the World," to banish moral ignorance. It is the "salt of the earth" to preserve it from moral corruption. The church must teach men how to live as well as how to die. It must hold forth God's plan for the regulation of all spheres of life and activity. Against the downward trend of society it must lift a warning voice; at all danger points it must plant a beacon light.

To provide religious fellowship: Man is a social being. He naturally craves fellowship and an experience of friendship. He naturally associates with those who share the same interests. The church provides a fellowship based on the Fatherhood

of God, and the Lordship of Christ. It is a brotherhood of those who share a common spiritual existence. The warmth of fellowship was one of the outstanding characteristics of the early church.

In a world governed by the machine-like Roman empire, where the individual was practically ignored, man longed for a fellowship where he might lose the feeling of loneliness and helplessness. Greetings From Faith Chapel

We would like to greet you in the Name of the Lord today. "Yes, He is." But do we really know, and do we really believe He is real? Where we always go wrong, we put limits God and think He only hears some of our prayers and meets some of our needs.

But God says He will supply and meet all our needs and He will Mark 10:23 says, "Jesus said, if you can't believe, all things are possible to him that believeth." If we can have enough trust and belief in Him to let Him have control over all our lives, then we can put all things in His hands, and we can know He is the Creator and we are his creation, because we are bought with a price.

Jesus Christ is the only answer. He is our only hope. If we do not have Christ in our lives then we have no life or everlasting life. Acts 16:31 says, "Believe in the Lord Jesus, and you will be saved, and thy house." Our life is dead without Jesus in it, for He is our strength and our great Salvation. He is our everything. We must know in whom we trust and believe; we must love the one in whom we believe.

Psalm 27:1 says, "The Lord is my light and my salvation; whom shall I fear?" The Lord is the strength of my life; of whom shall I be afraid? The world will bring you down and then storm you for they care not for you. But Jesus Christ will lift you up and put you back up on your feet because He careth and loveth you with an everlasting love. Jesus says He will never leave you nor forsake you. He will be with you to the end. No matter what people say about us or what we are, we can go with God, regardless of what snafes Satan uses. For "Greater is He that is in me than he that is in the world." If we keep Jesus in God and not on the natural human things, we can overcome and we can make it.

The Lord has overcome for us, so all we have to do is reach out by faith, for victory is ours. God does not deliver us out of bondage for Satan to put us back in. For God brings us out to bring us into him into a greater place than we have ever been. So let the world and the backbiters and the evil doers do what they can only for a season of their pleasure. God can do all things at all times, in His perfect timing and will. He will work all things out for the good of those who love and trust in Him.

Exodus 31:14 says, "My presence shall go with thee and I will give thee rest." If you need peace or rest, come to the one who supplieth all. For He is your beginning and ending, for if you do not, accept Him then your ending is destruction. But if you do accept Him you have eternal and everlasting life with Christ Jesus. For Jesus says, "For ye who are heavy burdened and weary, come unto me and I will give you rest. And you will be glad in the Lord and rely on Him and shout for joy, all ye that are upright in heart." Psalm 31:11 - "For the Word of the Lord is right, and all His works are done in truth." Until next week - may God keep you and bless you abundantly.

IN HIM WAS THE LIGHT AND THE LIFE WAS THE LIGHT OF MEN

ANSWERS TO YOUR BIBLE QUESTIONS

QUESTION:

How many of the Israelites were allowed to enter the promised land?

BOB PRICHARD

After being freed from Egyptian bondage, the Israelites made their way to Canaan, the promised land. When they arrived at the border of Canaan, Moses chose twelve men to go and spy out the land. After forty days of searching the land, Caleb reported, "Let us go up and possess it; for we are well able to overcome it." This was not the whole population, just the fighting men. God had told Moses, "Take ye the sum of all the congregation of the children of Israel, . . . every male by their years; from twenty years and upward, all that are able to go forth to war in Israel" (Num. 1:2-3). This did not include women, or the Levites, who were not fighting men, or spies.

When the Israelites arrived again at the promised land, under the leadership of Joshua, Joshua had had to circumcise the men, because "All the people that came out of Egypt, that were males, even all the men of war, died in the wilderness by the way, after they came out of Egypt" (Josh. 5:4). That the priests and Levites would not necessarily die in the wilderness is indicated in Numbers 34:17, where Moses was told that the high priest Eleazar, the son of Aaron, was to join Joshua in dividing the conquered land. Later on, after they had conquered Canaan, "they came near before Eleazar, the priest, and before Joshua, the son of Nun" (Josh. 17:4), to receive their portions of land. Israelites who left Egypt, and were allowed to enter the promised land, included Joshua, Caleb, Eleazar, and an unknown number of Levites and women.

God condemned them to forty years of wandering in the wilderness because of their unbelief, during which time "all that were numbered in the wilderness, except Joshua and Caleb, died because they did not believe in the Lord their God" (Josh. 1:6). It is often thought that only two of the Israelites who left Egypt, . . . a and Caleb, were able to enter the promised land. In fact, however, the group that was condemned to die in the wilderness, were those that were "numbered." This was not the whole population, just the fighting men. God had told Moses, "Take ye the sum of all the congregation of the children of Israel, . . . every male by their years; from twenty years and upward, all that are able to go forth to war in Israel" (Num. 1:2-3). This did not include women, or the Levites, who were not fighting men, or spies.

Music Director/Conductor

Miss Johnson Becomes Bride Of Mr. Scarborough

The marriage of Sharon Jean Johnson and Breton Haywood Scarborough was solemnized Sept. 12 at four o'clock in the afternoon at the First Baptist Church of Elba. Rev. Russell Laquire of Summit, Miss., performed the double-ring ceremony.

Parents of the couple are Dr. and Mrs. Sherman Johnson, Paxton, Fla., and Mr. and Mrs. Philip Scarborough, Elba.

Grandparents are Mr. and Mrs. Tank Johnson; great grandmother Liza Johnson of Kinross; Mr. and Mrs. James Newell, Sanson; Mr. and Mrs. George Lancaster Sr., Lockhart; and Mrs. J.E. Scarborough, Elba, and the late J.E. Scarborough.

The church door was decorated with two wreaths of greenery and a spray of cut flowers with ribbon and streamers of mauve and teal satin.

Guests were registered inside the foyer at a table covered with a silver vase holding a single rosebud. Master Jason Newell, nephew of the bride, passed out wedding programs from a table decorated with live fern, white doves and a hurricane lamp encircled with silk roses.

The wedding invitation was also displayed on this table.

Guests were registered by Mrs. Kris Scarborough, aunt of the groom.

As guests were ushered in, Mr. Daryl Bialus, organist, and Mr. Keith Touchton, pianist, presented a program of selected favorites, and as candles were lighted "Somewhere Out There" was played. Grandmothers were seated during the music "Adagio." The bride's mother was ushered in to "Can't Help Falling in Love," and the groom's mother to "Somewhere Over the Rainbow."

Parents' pews were marked with a single candle with an arrangement of mauve carnations, baby's breath and daisies. Grandparents' pews were marked with an arrangement of mauve carnations, daisies and baby's breath. Family pews were marked with mauve and teal ribbons. Prior to the processional, Mrs. Marcia Barry, soloist, sang "Only the Beginning."

The bride, given in marriage by her father, was radiant as she entered the sanctuary. On her way down the aisle she handed her mother a rose.

Her Academy Awards bride gown designed by Illusa was made from French Alencon lace and embellished with elegant bridal pearls. The long fitted sheath gown was covered with silk Chantilly lace, seed pearls and bridal sequins. Strands of tadeloup pearls and crystal tadeloup pearls adorned the front of the gown.

The full, long, pointed sleeves were covered at the shoulders and wrists with Chantilly lace and seed pearls. The lower part of the gown had a dramatic long flair covered with Chantilly lace and dangle strands of pearls. Her chapel-length train was also adorned with Chantilly lace and pearls.

The bride's veil was a contour wreath of pearls, rosette beads and sequins with a profile floral and pearl spray. Spot pearls adorned the full a la horsehair, the symbol of good luck.

Nadine Scarborough greeted guests at the entrance with a table draped in white cloth with pearls and a large center bow held half a dozen red roses, a gift from the groom to the bride the day before their wedding. Also on this table was an oil painting of the bride and groom when they were flower girl and ring bearer in the wedding of the groom's uncle and aunt, Kris and Nadine Scarborough.

This table also held the flower basket and ring pillow used by the bride and groom in their wedding. A floor-length sheath gown was of teal satin with scooped necklines and half-sleeves. The pleating on the sides gave a cummerbund effect at the waist, and the dropped back formed a low "V" with a full gather of material at the neckline.

The bride's gown was held extra wide bow. Their headbands were of white baby's breath entwined with a dusty rose silk rose and held a dusty rose pouff of tulle with tulle streamers to shoulder length. They carried cascades of pink neriine lilies and mauve alstroemeria lilies.

The groom was attired in the traditional black cutaway with coordinated pleated, striped trousers. The wing collar shirt was accented with a gray vest and striped black and gray ascot. He wore a boutonniere of mauve alstroemeria lilies and white stephanotis.

Philip Scarborough served his son as best man. Groomsman were David Barry, Birmingham; Gene Smith, Birmingham; Charles Belvin, Birmingham; Heath Bowen, Birmingham; Paul Cox, Birmingham, and Todd Boswell, Elba.

The groomsman wore black classic-stroller jackets and coordinating striped trousers, with black and gray striped four-in-hand tie and gray vest. They wore boutonnières of mauve alstroemeria lilies.

For her daughter's wedding Mrs. Johnson chose a long-sleeve teal dress with patterned Seville lace over taffeta and matching sequins on the bodice. The chiffon skirt was accented with wedding programs from a table decorated with live fern, white doves and a hurricane lamp encircled with silk roses.

The groom's mother was dressed in a floral patterned pink sate dress of lace, sparkled with matching sequins on the bodice. The full circle chiffon skirt was cinched at the waist with a matching belt.

Vows were exchanged before a magnificent background of candles, flowers and greenery. A massive arrangement of white gladioli, pink neriine lilies, mauve carnations and jade palm foliage centered the altar area, and was interspersed on a 15-branch brass candelabrum, with two nine-branch candelabra on either side.

Two nine-branch candelabra were placed in the choir loft. The choir rail was deeply covered in jade palm foliage and centered with a large sunburst arrangement of gladioli, rosario alstroemeria lilies, pink neriine lilies, mauve carnations, and jade palm foliage.

The bride stood with her father before the altar. Mrs. Barry sang "Ice Castles," and at the end of this song the couple joined hands as Scripture was read from 1 Corinthians.

Mrs. Barry sang "All of Me," rings and vows were exchanged and a solo of "Our Sacred Pledge" was rendered.

Further music was "Flesh of My Flesh" by Mrs. Barry and "Wedding Prayer" as the benediction.

At the couple left the sanctuary, the bride stopped and presented her mother-in-law with a rose, and the groom greeted their guests in the foyer.

The entrance to the reception area was marked by two wicker bells attached to wreaths covered in white ribbons. Just inside the room, green ferns, magnolia leaves and white doves in greenery. Overhead hung a horseshoe, the symbol of good luck.

Nadine Scarborough greeted guests at the entrance with a table draped in white cloth with pearls and a large center bow held half a dozen red roses, a gift from the groom to the bride the day before their wedding. Mrs. Breton Haywood Scarborough

carrots and green peppers.

Fresh fruits were served from a watermelon basket accompanied with dip served from pineapple boats. Ham salad in pastry shells were served from silver trays.

The two punch tables were covered in white cloths and punch was served from silver bowls surrounded with greenery. A silver goblet, a gift from the bride's sister, was used for the toast. These tables were attended by Miss Brenda Smith and Mrs. Robert Fleming.

Baby pictures of the bride and groom were displayed on a bulletin board in the reception area. A table with a pink cloth and teal skirt held three white baskets laden with teal ribbon and miniature doves which carried dusty rose bird seed roses. Missy Anna Scarborough, Amy Johnson and Terra Newell attended this table.

After the reception, guests took bird seed bells from the rice bag tree. The traditional garter and bouquet tossing was done by the bride. The couple left in a white limousine on their way to a honeymoon in Cancun, Mexico.

Mr. and Mrs. Scarborough are residing in Birmingham. Out-of-town guests were Rev. and Mrs. Russell Laquire, Summit, Miss.; Mr. and Mrs. J.M. Scarborough and Jim, Huntsville, Mr. and Mrs. J.N. Pridgen, Winter Haven, Fla.; Mr. and Mrs. Haywood Newell, Mr. and Mrs. Billie R. Newell and Shari Newell, Lake Wales, Fla.; Mr. and Mrs. Herbert Newell, Clanton; Mr. and Mrs. Conrad Newell, Mr. Chet Newell and Ms. Wilma Riley, Wilmington, N.C.; Mr. and Mrs. William James, Hartford, Conn.; and Mrs. Todd Skaggs, Mobile; Sandra Carter, Gwinnell, Texas; Pensacola, Fla.; Mr. and Mrs. James Mast, Mr. and Mrs. Jeffery Dial, Glendale Heights, Ind.; Earline Hildreth, Larry Barr, Mr. and Mrs. Norman O. Parson, Mr. and Mrs. Charles Belvin, Mr. and Mrs. Heath Bowen, Mr. and Mrs. David Barry, Mr. Gene Smith, Mrs. Debra Davis, Ms. Catherine Crowley, Mrs. Tessa Melendons, Mrs. Kendyl Massey, Birmingham; Mrs. Clayton Hall, Mrs. James Cecil Hall and Mrs. Jack Hunt, DeFuniak Springs, Fla.

Great grandparents are Mr. and Mrs. Barie Nelson. Her bridegroom was welcomed home by two sisters: Misty, age 7, and Cammie, 4.

The wedding was directed by Mrs. Jeannette Willingham. AFTER-REHEARSAL DINNER Mr. and Mrs. Philip Scarborough honored their son, Breton Haywood, and his future bride, Sharon Jean Johnson, with a delightful after-rehearsal dinner on Friday, Sept. 11, in their home on Reese Ave. in Elba. The bride's colors of rose and teal were used in the dinner decorations. The tables were covered in white linen and white napkins tied in ribbons of rose and teal were used. The patio area was decorated with burning torches, potted ferns and various hanging baskets.

The invocation was given by Rev. Russell Laquire of Summit, Miss. The dinner consisted of beef roast, ham roast, brown rice, squash casserole, string beans, pasta salad, butterbeans, fruit salad, rolls, tea and individual dessert tarts of pecan strawberry and chocolate.

Mrs. William Lawrence Suplit

Cox—Suplit Wedding

Miss Brenda Cox, daughter of Mr. and Mrs. Walter Warren Cox, and Mr. William Lawrence Suplit, son of Mr. and Mrs. Arthur William Suplit of Waltham, Mass., were united in holy matrimony on Saturday, Oct. 24, in the Elba United Methodist Church.

The high noon ceremony was performed by the Rev. Edwin Sells of Marianna against a background of organ music provided by Mrs. Thomas Davis of Montgomery. Her selections included "Fanfare" by Parcell and "Alleluia" from Handel's Water Music Suite. Mr. Chris Sasser, trumpeter from Montgomery, performed with the "Trumpet Voluntary" by Clark.

Mrs. Robert Cooner of Montgomery sang "The Greatest of These" by Gates and "Surely the Presence of the Lord is in this Place" by Wolfe. Mr. David Christenberry of Montgomery provided trombone accompaniment on the hymns that were sung by the congregation.

Brass candelabra holding white candles lighted the choir loft where a white wicker standard basket held a massive arrangement of Casa Blanca and Rubrum lilies, pink bouvardia and alstroemeria lilies. Leatherleaf greenery accentuated the candles flanking the altar where the open pulpit Bible was placed on the communion table.

A white linen kneeling cushion, heavily embroidered in white and with the bride's family name in the center, was placed before the altar. The bride was given in marriage by her father. She wore a gown of white satin and alencon lace styled with dropped basque waistline and a full skirt which swept into a cathedral train. The fitted bodice of jeweled lace was heavily embellished with pearls and iridescent sequins and featured a scalloped neckline which dropped to a deep "V" in the back. Flat satin and lace bows at the shoulder accentuated the long lace sleeves which ended in ruffled cuffs at the wrist. She wore a small-brimmed lace hat with attached veil.

Her bridegroom was a cascade of white lace with a wide waistline and a full skirt which swept into a cathedral train. Christmas Bazaar Planned At Elba

Nursing Home

The Elba Nursing Home annual Christmas Bazaar will be held Saturday, Nov. 21, from 9 a.m. until 2 p.m.

Featured items will include handmade items by the residents; baked goods; and an afghan to be given away by donations.

November Birthdays at the Nursing Home:
Nov. 7 - Bernice Griswold
Nov. 8 - Pearl Lunsford
Nov. 13 - Paul Revel
Nov. 15 - Viena Wilkinson
Nov. 29 - Cleon Kelley
Nov. 29 - Gladys Holley

HRDC Seniors Enjoy Reunion

By: Wanda Sasser

Food, fun and frolic were on the agenda when the Senior Citizens of Cordelia Street met for their annual Higgenbotham reunion. Mr. and Mrs. O.C. Kersey played some good old music for us.

We had quite a few visitors and a demonstration of the new vehicles for disabled people on Medicare. News was exchanged on the beautiful Autumn day, and a delicious lunch was served to the following people:

Myrl Burkett, Maybelle, wife of Dan, who is sick, and head of the clan; Jean Mauldin - Cousin Florabella; Roshie Blanton - Lulu; Dixie Mae Maddox - Cousin Clara; Pearl Farmer - Aunt Polly; Zedie Bouyer - Aunt Sweet; Sarah Smith - Sadie

Maec, Frances Shaboo - Madam Butterfly; Mattie Lou Goodson - Aunt Kate; Mary Longfellow - Lady from the Bordelle; Grace Goodson - Cousin Patsy; Bill Blair - Little Billy Boy; Anna Stoudamire - Aunt Mahalia; Helen McCahan - Bahama Mama; Annie Pearl Carpenter - Little Rosa; Arthur Blackman - Uncle Joe from New Brocton; Odell Reeves - Collard Kid; Marie Reeves - Uncle Nabob; Merle Boling - Gypsy Rose Lee; Marion Brunson - The Solemn Judge; Wanda Sasser - Sam Jones, one of the Tennessee Joneses; Pearl Thompson, Velma Davis, James J. Jordan, William Schmitt, O. C. Pope, Gary Whitehurst, Beckie Powell, O.C. Kersey, Leila Kersey.

JACK AND JILL DAY CARE STUDENTS dressed up and went on a trick-or-treating party last Friday. The little ones were dressed in costumes ranging from "scary" to "delightful."

Both were white orchids. The Elba Jaycees will sponsor their annual Little Miss Christmas Pageant on Saturday night, Nov. 21, at 7 o'clock in the Elba High School auditorium.

Any girl in grades K-3 in the Elba City School System is eligible to participate. A \$15.00 entry fee should be paid by Thursday, Nov. 19, at rehearsal. Entry fee may be paid by a sponsor or by the parents of the girl.

The winner will receive a savings bond, crown, sash, trophy, and flowers. Runners-up will receive flowers, trophy and a cash prize, and Little Miss Christmas and her court will be featured in the Elba Christmas parade.

Elba Jaycees is a community service organization, and all proceeds from the pageant will benefit the elderly and the foster children of Elba at Christmas.

Mail entry fee and information to: Debbie Rhodes, Rt. 2, Box 25C-16, Elba, AL 36323. For more information call 897-2154 or 897-3776.

Arts Alliance Programs

Includes Symphony

On Nov. 10th

Programs for the 1987-88 season of the Coffee County Arts Alliance include the Alabama Symphony Orchestra to appear at Enterprise High School on Nov. 10.

Other programs include Preservation Hall Jazz Group - Jan. 30, at Elba High School; and State of Alabama Ballet - March 25 at Enterprise High School.

All programs begin at 8 p.m. Season tickets are available at \$20 for adults and \$10 for students (K through College), and may be obtained by sending check to Coffee County Arts Alliance, P.O. Box 848, Enterprise, AL 36331.

Tickets for individual programs are available in Elba at the Jewel Box. Advance tickets are \$8 for adults, \$4 for students; at the door prices are \$10 and \$5. For more information call 393-2222 (days) or 347-0661 (nights).

The symphony will be a family type program, half pop and half classic, and is made possible in part by funding from First Alabama Bankshares as well as a grant from Alabama State Council on the Arts with assistance from National Endowment for the Arts, a federal agency in Washington, D.C.

Season tickets will also be available during the evening of the symphony at a more moderate price.

Mr. and Mrs. James F. Wilson

Wilsons Honored On Fiftieth Anniversary

Mr. and Mrs. James F. Wilson of the New Hope Community were honored with a reception in their home on Sunday, Oct. 11.

The occasion was hosted by approximately 150 friends in recognition of the couple's 50th wedding anniversary.

The Wilsons - James and Florie Bell - were honored with the

presence of their family members: Melinda and Johnny Sanders of Daleville; Martha Howell of Perdido Key, Fla.; Ben and Mary Lois Wilson and Dan and Charlotte Wilson of the New Hope Community. Also attending were the Wilson grandchildren: Chris and Tammie Sanders

Sports

Views From The Pressbox By, Ricky Mularz

Saturday night my wife took our 4-year-old trick-or-treating and it was my job to stay at the house and pass out goodies to all the little kids who came to the door. Well, I had everyone from "Alf" to "Rambo" stop by for some candy, and in between I got to watch football on the tube. The best part was that we had some candy left over and I got to eat a little and also got to eat some of my daughter's. Yep, Halloween is okay with me!

NOT EXACTLY A STORYBOOK FINISH FOR THE TIGERS

After eight straight wins over teams like Opp, Troy, Geneva, Pike County and Andalusia, everyone kind of took for granted that Elba wouldn't have any trouble defeating Daleville Friday night for the Area title. Obviously, someone forgot to tell Daleville!

The Tigers seemed to lose their momentum in the second half against Andalusia, and Friday night in the first half it didn't take an expert to see that the Elba players had no emotion at all as Daleville gained the upper hand and never lost control. These same young men played their hearts out enroute to posting eight wins, but suddenly have lost the confidence and enthusiasm needed to go along with their talent, and the results have been devastating. If the Tigers can regain the enthusiasm and aggressiveness they had earlier this season, the sky is still the limit; however, if that same emotion isn't there, the end may not be far away. There's nothing the fans or coaches can do—it's up to the players!

The Elba offense moved the ball well against Daleville and had chances to light up the scoreboard, but saw three drives end empty-handed after having the ball first down at the Daleville 27-, 26- and 25-yard lines. The running game seemed to wake up and Robert Wilson gained over 100 yards and scored a pair of touchdowns, while the passing game also looked good at times as Jason Johnson passed for 88 yards. The offense showed moments of fine play, but it takes consistency to be successful and that was not to be found. The Tigers' offensive squad has already shown what it can do—it just needs to regroup and start all over.

The Tiger defense looked outstanding for much of the season and recorded numerous shutouts, but Friday night got pushed around throughout the game and couldn't come up with the big plays in the fourth quarter when Elba closed to within a touchdown on two separate occasions. Daleville's offense passed almost at will and did something no other team had done since the opening loss to Ozark—run the football up the middle! Daleville controlled the clock in all four quarters and in the final quarter when the defense had its backs to the wall Daleville kept the ball for 8:39 to only 3:21 for the Tigers. You can't score if you don't have the ball and Friday night the Tigers couldn't get the ball away from the Daleville offense. Lost in Friday night's defensive disaster was perhaps the top performance of the season turned in by linebacker Larry Dixon, who made 17 unassisted tackles. Dixon isn't one of the biggest linebackers to be found, but he loves to compete and in recent weeks has really taken charge.

Looking back at the game as a whole, the most obvious thing that stood out to me was the lack of emotion from the Elba players. Emotion is a very big part of any contest, and it just wasn't there Friday night on the Elba side of the ball. If the game's not any fun to the players any more, we'll find out this week, because one loss and it's all over!

COFFEE COUNTY WELL REPRESENTED IN PLAYOFFS

I'll admit that the expansion of the state playoffs a couple of years ago took a little luster from the honor of making the field; however, it's still an honor to make the field, and in Coffee County four teams will hit the field Friday night in their quest for a state title in Class 1A, 2A, 3A and 6A. Here is a look at the county teams involved:

New Brockton is back in the playoffs and has its best shot ever at claiming a state football crown. The Gamecocks don't have a lot of depth, but they have quality players who believe in themselves and have displayed that trait through the season in piling up 10 wins. There may be teams in 2A with more talent, but there aren't any teams who give more and love it like the players over at New Brockton.

Kinston made it to the playoffs for the first time ever and don't let anyone tell you it was a fluke! The Bulldogs aren't a bad team and are definitely one of the best 32 1A football teams in the state. Kinston had some ups and downs during the season and at times looked like anything but playoff competitors; however, when the Bulldogs played their backs to the wall they came through with flying colors. Don't be surprised if Kinston hangs around a while.

Enterprise struggled to a 5-4 record this season and doesn't have a real state title contender, but the Wildcats have improved tremendously in recent weeks and have made strides toward becoming a big winner again next year. Enterprise will play as hard as anyone and has good young talent, and if they can get a few breaks could surprise some folks in the playoffs.

OPENING ROUND OF PLAYOFFS PROVIDE INTERESTING MATCHUPS

In the opening round of the playoffs you always have Area winners playing runners-up, which should lead to a lot of lopsided wins; however, such has never been the case and it won't happen again this year. Here are a few of the top opening week contests:

Class 1A - A good rematch will be Coffeeville battling Excel. Excel was undefeated until losing to Coffeeville 30-22 last week, but will get the chance to gain revenge in a hurry! Other good games will have Natusauga at Alabama School for the Deaf, and Speake at Sand Rock. Blowouts? How about Montgomery Academy over Arion and (9-1) Meek vs. (1-8) Mt. Hope!

Class 2A - You don't have to go far for a good matchup in this class—just check out Rehobeth at Samson! Other good games will have Winston County at Hackleburg and Woodland at Clay County. A blowout should occur when Highland Home travels to Reelfoot.

Greg Brunson - 897-6618 Clyde Collier - 347-2430

Class 3A - The Daleville-Laverne rematch should be a real good game, as will Chatahchee at B.B. Comer, Stevenson at Crossville and Lineville at Lincoln. If you're sadistic, try out the UMS-Wilcox County game!

Class 4A - There are several good matchups in this class, including Headland at Geneva, Elmore County at Shelby County, Central at East Limestone and Alba at Thomasville, while lopsided scores should occur at Keith - T.R. Miller, Ashford at Pike County, and Cleburne County at Cherokee County.

Class 5A - Perhaps the top game this week will pit Eufula at Greenville, in the renewal of what used to be an annual grudge match! Other good games will have Hillcrest at Thompson, Hartsville at Emma Sanson and Andalusia at Smiths Station. The biggest mismatch looks like McAdory at Holt.

Class 6A - There are plenty of good games in this class, highlighted by rematches between Lee and Carver and Jeff Davis and Lanier. Other games to keep an eye on will be Central of Phenix City at Ozark, Enterprise at Auburn and Park at Alberville. A blowout could happen at the Grissom-Minor clash!

YE OLE POLISH PROGNOSTICATOR PICKS PLAYOFFS

Ye ole Polish Prognosticator hit on several big upsets last week, including Enterprise over Dothan and Maplesville over Dozier, and is ready to go into the playoffs on a winning streak. Here goes . . .

ELBA VS. W.S. NEAL

The Tigers appeared to have already peaked and be on the way down last week, but Elba has as much tradition as any school in the state and anybody can turn it back around, it'll be the Tigers. W.S. Neal will be sailing high at home, and has the talent to pull off the win; however, this vote goes with the Tigers!

Elba 20 - W.S. Neal 8

Tigers To Open Playoff Action On The Road Against W.S. Neal

The Elba Tigers will open play in the 1987 Class 3A football playoffs Friday night when they travel to East Brewton to battle the Area 3 champion W.S. Neal Blue Eagles in the first meeting between the two schools in 13 years.

The Elba Tigers will carry an 8-2 record into the clash, but will be coming off an upset loss to Daleville in the Area 4 title matchup, while W.S. Neal will bring a deceiving 5-5 record into the battle.

Blue Eagles have posted wins over St. Pauls 14-6, Calhoun 47-6, Clarke County, Pensacola Catholic and Laverne 10-7, while suffering losses to New Brockton 3-0, Mobile County 12-0, Evergreen 36-14, Robertsdale and T.R. Miller 17-13.

"W.S. Neal reminds me a lot of us last year," stated Elba's Coach Mack Wood, "in that they have played a tough schedule and played everybody tough. Don't let their record fool you - W.S. Neal has a very good football team and playing at home I'd have to say they're the favorite to win Friday night!"

"The biggest asset Neal has is their quickness and desire to win," stated Wood. "The Neal players really play hard on every single down and will be fired up when we get there Friday night. We'll play a team that has a winning attitude and is playing well right now, and I know we'll have to play as good as we can just to have a chance to win!"

"On offense they line up in a wing-T, and like to play power football. They have a lot of folks in front of the runner and every single

one of them blocks well and comes off the ball like bullets.

"Neal blocks extremely well and will run the ball right at you until you show 'em you can do something to stop 'em."

"Over on defense they will line up in an odd-man front and play sound football on every play. They are real aggressive on every play and their front people play hard and the linebackers really get after you. The key to the Neal defense is their pursuit and aggressiveness, both of which are traits of a winner."

"For us to have a chance to win we'll have to have our best effort on every play and be fundamentally sound on every play," stated Wood. "By being fundamentally sound I mean being sound blocking and tackling and being ready for anything the opposition does. It will take a tremendous effort for us to win Friday night!"

"Offensively we'll have to establish our running game and then be balanced," stated Wood. "We've tried to be balanced in the past weeks and have let the basic running game suffer, so the time has come to be able to do at least one thing well and that thing will be the running game. We'll have to block as well as we can and pick up their different looks if we're going to be able to move the ball, and if they bring everybody to the line we will put the ball in the air; however, we're a running team and we have to run to win."

"On defense we'll have to play great fundamentally to have any chance at all. We'll have to return to

NEW BROCKTON VS. D.C. WOLFE

The Gamecocks almost slipped up last year in the opening round and you can bet Coach Boutwell will have his troops ready to play Friday night. D.C. Wolfe won't roll over and play dead, but that won't make any difference! New Brockton 28 - D.C. Wolfe 6

KINSTON VS. CONECHU COUNTY

The Bulldogs will make their debut against a team they used to play and it should help. Conecuh County has stumbled at times this season, as have the Bulldogs, but the homefield advantage may be the difference. Conecuh County 19 - Kinston 17

OTHER PICKS:

Sweet Water 34 - Repton 6
Long 21 - Trinity 14
Montgomery Ac. 35 - Arion 0
Dozier 22 - McKenzie 15
Marengo 14 - Georgiana 12

Central, PC 28 - Ozark 26
Lee 28 - Carver 14
Auburn 14 - Enterprise 10
Jeff Davis 21 - Lanier 20

the way we played in past weeks and be aggressive or we'll be in trouble like we were last week. We can't just go crazy and try to stop one thing or we'll get beat in other areas, but we've got to get after 'em on every play and play our best."

"I told people last week that Daleville could beat us if we didn't play well, and nobody believed me," added Wood. "So maybe this week they'll believe me when I say that Neal has a very good football team and has the potential to really beat us bad!"

"On defense we were outsize up front and Daleville took advantage of the size difference to just whip us in the middle. They converted numerous third-down and fourth-down plays, and when you let a team do that it's a lack of concentration and desire. We were not a good football team Friday night and it was disappointing that the team played so poorly and didn't go all out. A loss can be blamed on the coach and I'll take the blame, but it only goes to show you that we're just an average team when we don't give 100 percent and Friday night we didn't give what it takes to win."

"The bootleg pass they hurt us with was a new play we hadn't seen," said Wood, "but if we had played fundamentally sound it

Advanced Tickets On Sale At Elba High

Advance tickets to Friday night's state playoff game between Elba and W.S. Neal will be on sale Thursday and Friday at Elba High School between the hours of 8 a.m. and 3 p.m. at the office.

Adult tickets are \$4 and student will be \$4.

When going to the doctor doesn't fit in your day.

It's probably safe to say that there's no such thing as a short trip to the doctor. Quality medical care just takes time. Unfortunately, not everybody has the time. Maybe it's just a job that can't be missed or a babysitter that can't be found.

That's why at Elba General Hospital we have created a new service called **Mednight**. It was created specifically for people who cannot seem to fit doctors into their lives.

Mednight provides primary and minor emergency care from 6 p.m. until 6 a.m., Monday through Thursday and 6 p.m. Friday until 6 a.m. Monday. **Mednight** is located in the emergency room of Elba General Hospital. **Mednight** is staffed by full-time physicians and medical personnel. There is no emergency room fee but there is a fixed fee for the physician visit for covered services, which is significantly less than an emergency room visit. No appointments are necessary.

At Elba General Hospital, we are taking every step we can to help patients receive medical care when they cannot get to their family doctor during the day.

We don't intend to take the place of your regular doctor. In fact, after each visit to **Mednight**, a report is sent to your family physician.

So the next time you find yourself needing a doctor, but needing more time, don't put it off. Meet us as **Mednight**.

Located in the emergency room of
Elba General Hospital

Tigers Fall Flat In Season Finale As Daleville Takes Area Crown

UP AND OVER . . . Elba's Robert Wilson (25) dives over a host of Daleville players to score the Tigers' first touchdown of the game in last week's 32-13 loss to Daleville. Wilson gained 105 yards and scored two touchdowns in the loss.

What's the score? I don't even know who's playing . . . These Elba youngsters discovered a sand pile behind the Elba bench Friday night and enjoyed two hours of non-stop fun.

The Elba Tigers saw their dreams of a second straight Class 3A, Area 4 football title turn into a nightmare Friday night in Daleville as the they were defeated by the Daleville Warhawks 32-13.

The loss left Elba with a final regular season record of 8-2, 2-1 in Area play, while Daleville finished the regular season with an identical 8-2 record and a 3-0 Area slate to give the Warhawks the Area crown.

Neither team could move on its initial possession of the game; however, Daleville got its offense in gear on its second series and marched 64 yards in 15 plays to grab the early lead. The Warhawks drove to a first down at the Elba 25-yard line behind the running of Pat Coone and William Molland, but Elba's defense stiffened and appeared to have turned back the offense, only to see Chucky Perkins hit Bill Mascheier with a 22-yard pass on fourth-down-and-11 to keep the drive alive.

The touchdown came on a 3-yard sweep by J.J. Walker, and although the p.a.t. failed wide Daleville had the lead 6-0 with 2:43 left in the opening stanza.

The Tiger offense made a crucial mistake early in the second quarter as it fumbled at the Elba 9-yard line, and Daleville cashed in on the mistake to move on to 10-0.

The Tigers dodged a bullet when an apparent touchdown pass was nullified when Daleville had too many players on the field and left the Warhawks facing a fourth-down-and-15, but Daleville came right back and scored again when Perkins fired a 15-yard scoring strike to Chris Kilpatrick.

A two-point attempt failed, but with 6:59 left in the half the Warhawks owned a stunning 12-0 lead.

The second Daleville score seemed to awaken the Tiger offense and the Tigers responded with their best effort. A 38-yard pass from Jason Johnson to Troy Kelley gave the Tigers a first down at the Warhawk 41, and after a 12-yard pass from Johnson to Kelley four players later Elba had the ball first-and-10 at the Hawk 27.

The Tigers got as close as a fourth-down-and-5 at the Daleville 22; however, the threat went by the board as on the big fourth-down play Johnson was stopped one yard short of the first-down marker at Daleville's 18-yard line.

A big punt return by Troy Kelley and a 15-yard penalty against Daleville gave the Tigers a first down at the Warhawk 26 with :55 left in the half, but a sack resulted in an 8-yard loss, and on the last play of the half a 43-yard field-goal attempt by Chris Fleming fell short as Daleville went in with its 12-0 advantage.

Elba came out fired up in the third quarter and took the second half kick and marched toward the Daleville goal behind the running of Robert Wilson. Wilson, who was held to 37 yards in the first half, gained a total of 31 yards on 5 carries to move the Tigers to a fourth-down-and-1 at the Daleville 16-yard line, but Wilson was hit for a 5-yard loss on the fourth-down play and once again Elba saw a scoring opportunity go by the board.

Elba came out fired up in the third quarter and took the second half kick and marched toward the Daleville goal behind the running of Robert Wilson. Wilson, who was held to 37 yards in the first half, gained a total of 31 yards on 5 carries to move the Tigers to a fourth-down-and-1 at the Daleville 16-yard line, but Wilson was hit for a 5-yard loss on the fourth-down play and once again Elba saw a scoring opportunity go by the board.

Daleville added a late score when Chucky Perkins raced 35 yards with :13 left in the game and Gus added the p.a.t. to give the Warhawks the 32-13 win and the Area 4 title.

Robert Wilson gained 105 yards on 19 carries to pace the Elba running attack, while Troy Kelley caught 3 passes for 64 yards to spark the passing game.

Pat Coone led Daleville with 94 yards on 30 carries and William Molland added 81 yards on 17

Elba's Troy Sanders (79) drags down a Daleville runner behind the line of scrimmage during last week's Area 4 championship clash. The Tigers lost 32-13, but advanced

to the playoffs as the Area runner-up and will travel to W.S. Neal Friday night.

Kinston Bulldogs March Into Class 1A Playoffs With 9-6 Win Over Brantley

Kinston's Todd Hawthorne (31) heads upfield for a big gain in last week's 9-6 win over Brantley. Hawthorne gained 127 yards to lead the Bulldogs into the Class 1A playoffs for the first time in the school's history.

Story by Danny Belcher
Photos by B.W. Willis 150n

It was a night to remember! The Kinston Bulldogs wrote a new chapter in the history book Friday night as they defeated the Brantley Bulldogs 9-6 for the first time ever in football and in doing so qualified for the Class 1A football playoffs, also a first ever!

The win evened Kinston's record at 5-5 heading into a playoff matchup against Conecuh County, while Brantley finished a disappointing season with a 1-8 record.

Brantley received the opening kick and marched to a first down at the Kinston 29-yard line behind the running of Ellis Harris and the passing combination of Lebron Upshaw to Wesley Person; however, a 15-yard penalty against the visiting 'Dogs slowed the march, and on fourth down Brantley had to punt.

A Kinston fumble at the Brantley 23-yard line stopped a Kinston scoring threat and gave Brantley another opportunity to show its offensive power. A 16-yard scamper by Anthony Eiland and a 10-yard run by the fullback moved the Bulldogs to a first down at the Kinston 48, but the Kinston defense again refused to allow Brantley to cross the goal line and forced a punt.

Kinston put the ball in play at its 20-yard line following the punt and marched to a first down at the Brantley 6-yard line behind the running of the Hawthorne brothers - Todd and Dodd! Todd Hawthorne gained 38 yards during the drive and Dodd added 26 yards, but the drive stalled at the 4-yard line, and on fourth down Darrell Berry came in and kicked a 21-yard field goal to give Kinston a 3-0 lead with 5:23 left in the half.

The two long-time rivals swapped turnovers to end the half and at intermission Kinston went in clinging to a slim 3-0 bulge!

Kinston received the second half kick and assumed command as the home-standing Bulldogs drove 75 yards in only 9 plays to extend their lead to 9-0. Todd Hawthorne gained 38 yards on 5 carries during the march, while Todd Hawthorne added 38 yards on 4 carries and got the touchdown on a 21-yard scamper! The extra point failed, however, with 7:46 left in the third quarter Kinston owned a 9-0 lead and the hometown fans could sense history in the making.

Kinston's Dodd Hawthorne (12) fights for yardage during last week's 9-6 win over Brantley. Hawthorne gained 145 yards to spark the Bulldog offense as Kinston qualified for its first trip ever to the state football playoffs.

Brantley still trailed with 2:57 left in the game when it put the ball in play at its 40-yard line, but Brantley wasn't about to throw in the towel and stunned Kinston by driving 60 yards in only 6 plays to get back in the game!

Lebron Upshaw completed 3 of 6 passes for 60 yards during the last-minute charge and hit Andy Kimbro with a 15-yard scoring toss to put Brantley on the scoreboard. A two-point try failed; however, with 1:40 still left on the clock the Kinston lead was down to 9-6.

Everybody in the stadium knew that Brantley would try an onside kick following the score and that's exactly what happened, and Brantley recovered the kick at midfield to keep its comeback hopes alive!

A 5-yard run by Lebron Upshaw got Brantley as close as the 45, but that was as close as Kinston would allow, as they held on for the exciting 9-6 win.

Dodd Hawthorne gained 145 yards on 22 carries to pace the Kinston running attack, while Todd Hawthorne added 127 yards on 21 carries. Anthony Eiland gained 59 yards on 12 carries for Brantley and Andy Kimbro caught three passes for 55 yards.

Brantley's Anthony Eiland (19) reaches back for a pass during last week's battle with Area rival Kinston. Brantley dropped a 9-6 decision and saw its record slip to 1-8.

State Football Playoffs To Begin This Week Across The State

Four defending champions Sweet Water, Cottonwood, Crossville and Lee - Montgomery - are in the 192-team field for the Alabama high school football playoffs beginning next weekend.

The Alabama Athletic Association developed the pairings for the first round during a meeting Saturday in Montgomery. The berths went to 16 area champions and 16 runners-up in each of six classes. The five weeks of competition will end Dec. 4.

Here are the pairings for the first round with all games on Friday and all starting times at 7 p.m. unless otherwise noted:

CLASS 6A

Mary Montgomery (7-2) at Vigor (8-1), Prichard

Central-Phenix City (8-2) at Carroll (8-2), Ozark

Foley (8-2) at B.C. Rain (8-2), Mobile's Ladd Stadium, 7:30 p.m.

Carver-Montgomery (6-4) at Lee-Montgomery (10-0), Cramton Bowl, 7:30 p.m.

McGill-Toolen (7-3) at Theodore (4-0), 7:30 p.m.

Enterprise (5-4) at Auburn (8-2), 7:30 p.m.

Davidson (6-4) at Fairhope (9-1), 7:30 p.m.

Sidney Lanier (7-3) at Jeff Davis (7-3), Montgomery's Cramton Bowl, Thursday 7:30 p.m.

Hewitt-Trussville (9-1) at Mount-ain Brook (7-3), 7:30 p.m.

Grissom (4-6) at Minor (7-3), 7:30 p.m.

Central-Tuscaloosa (5-3) at Shades Valley (9-1) 7:30 p.m.

Scottsboro (4-6) at Huntsville (9-1), Joe Davis Stadium

Benjamin Russell (6-4) at Huffman (5-5), Lawson Field, 7:30 p.m.

Parker (8-2) at Albertville (6-4), 7:30 p.m.

Vestavia Hills (9-1) at Jess Lanier (8-2), Bessemer, 7:30 p.m.

Lee-Huntsville (3-7) at Johnson (8-1), Huntsville's Milton Frank Stadium, 7:30 p.m.

CLASS 5A

Monroe County (6-4) at Jackson (9-1), 7:30 p.m.

Chilton County (7-3) at Wetumpka (6-4)

Eufaula (6-3) at Greenville (8-2), McAdory (4-6) at Holt (8-2), 7:30 p.m.

Choctaw County (6-4) at Williamson (5-4), Mobile's Ladd Stadium, 7:30 p.m.

Stanhope Elmore (5-5) at Sylacauga (8-2), 7:30 p.m.

Andalusia (5-4) at Smiths Station (9-1)

Hullerest (8-2) at Thompson (9-1), Alabaster, 7:30 p.m.

Jones Valley (2-8) at Dora (7-3), 7:30 p.m.

Muscle Shoals (2-8) at Russellville (10-0), 7:30 p.m.

Oxford (6-3) at Pell City (9-1), 7:30 p.m.

Etowah (9-1) at Athens (10-0), 7:30 p.m.

Midfield (4-6) at Woodlawn (7-3), Birmingham's Lawson Field

Birmingham's Lawson Field (7-3), Birmingham's Lawson Field

Highland Home (4-6) at Colbert County (8-1), Leighton, 7:30 p.m.

Gardendale (7-3) at Saks (9-1), Anniston, 7:30 p.m.

Hartselle (7-3) at Emma Sansom (8-2), Jack Murphy Stadium, 7:30 p.m.

CLASS 4A

Kent (5-5) at T.R. Miller (7-2), Brewton, 7:30 p.m.

Jemison (4-6) at Lanett (7-2), Headland (5-4) at Geige (7-3)

Winfield (6-4) at Greensboro (7-3)

Alba (6-3) at Thomasville (8-2), 7:30 p.m.

Elmore County (8-2) at Shelby County (7-3), Columbiana, 7:30 p.m.

Ashford (3-7) at Pike County (7-3), Brundidge

Livingston (5-5) at Haleyville (9-1)

Fultondale (4-6) at Tarrant (8-2), 7:30 p.m.

New Hope (5-5) at Hanceville (9-1)

Hokes Bluff (6-4) at Alexandria (7-3)

Central-Florence (7-3) at East Lawrence (7-3), Trinity

Fairfield (4-6) at Corner (5-5), 7:30 p.m.

Fairview (7-3) at Bob Jones (6-3), Madison, 7:30 p.m.

Chester County (2-7) at Cherokee County (9-0), Centre

Lawrence County (5-5) at Deshler (8-1), Tuscumbia, 7:30 p.m.

CLASS 3A

Wilcox County (9-1) at UMS Prep (10-0), Mobile

Matchee (8-2) at B.B. Comer (7-3), Sylacauga, Thursday

Elba (8-2) at W.S. Neal (5-5), East Brewton

Chelsea (6-4) at West Blocton (9-1)

Washington County (7-3) at Paramount (6-4), Boligee

Lineville (8-2) at Lincoln (9-1), Luverne (7-3) at Daleville (8-2)

Cordova (6-4) at Moody (7-3), Pell City, 7:30 p.m.

Vinmont (5-4) at Oneonta (9-1), Clements (5-5) at Lexington (6-4)

Phil Campbell (3-7) at Pickens County (6-4), Reform

Stevenson (8-1) at Crossville (9-1), Sardis (7-3) at J.B. Pennington

(10-0), Blountville

Rogers (7-2) at Tanner (4-6), South Lamar (8-2) at Sulligent

(6-4), 7:30 p.m.

Sylvania (8-2) at Pisgah (7-3)

(10-0), 7:30 p.m.

New Brockton Gamecocks Storm Past Zion Chapel 35-0 To Up Record To Perfect 10-0

By: Greg Brunson

The New Brockton Gamecocks exploded for 22 second-quarter points this past Friday night enroute to a big 35-0 win over the Zion Chapel Rebels.

The defenses ruled the first quarter with neither team being able to make more than one first down per possession. Each team committed one turnover in this quarter as Kenny Griffin claimed an interception for the Gamecocks and Thomas Boswell recovered a fumble for the Rebels.

The first points of the game came on a 29-yard pass play from Donnie Smith to Bo Pittman who made a leaping grab at the goal line. This capped a 9-play drive covering 88 yards. Kenny Griffin ran for the two-point conversion, giving New Brockton an 8-0 lead with 10:04 left in the second quarter.

The Gamecocks' next possession resulted in a four-play drive that covered 60 yards. On Burrows took the ball on a sweep around left end and raced 48 yards for the touchdown.

Toby Lee added the p.a.t., making the lead 15-0 with 6:17 to go in the half.

A fumble recovery by Scott Maddox set up the next score as Louis Page went 38 yards on the first play for the touchdown. Lee again converted the p.a.t. to give the Gamecocks a 22-0 lead with 4:33 remaining in the second quarter.

The Rebels, behind the passing of Sean Collins, put together a drive on their next possession, only to turn the ball over on downs after three first downs.

As the second half opened the Gamecocks wasted little time in lighting up the scoreboard again. Robert Kilow carried the final 3 yards of this 6-play drive which covered 67 yards.

Another extra point by Lee made the score 29-0 with 8:21 to go in the third quarter.

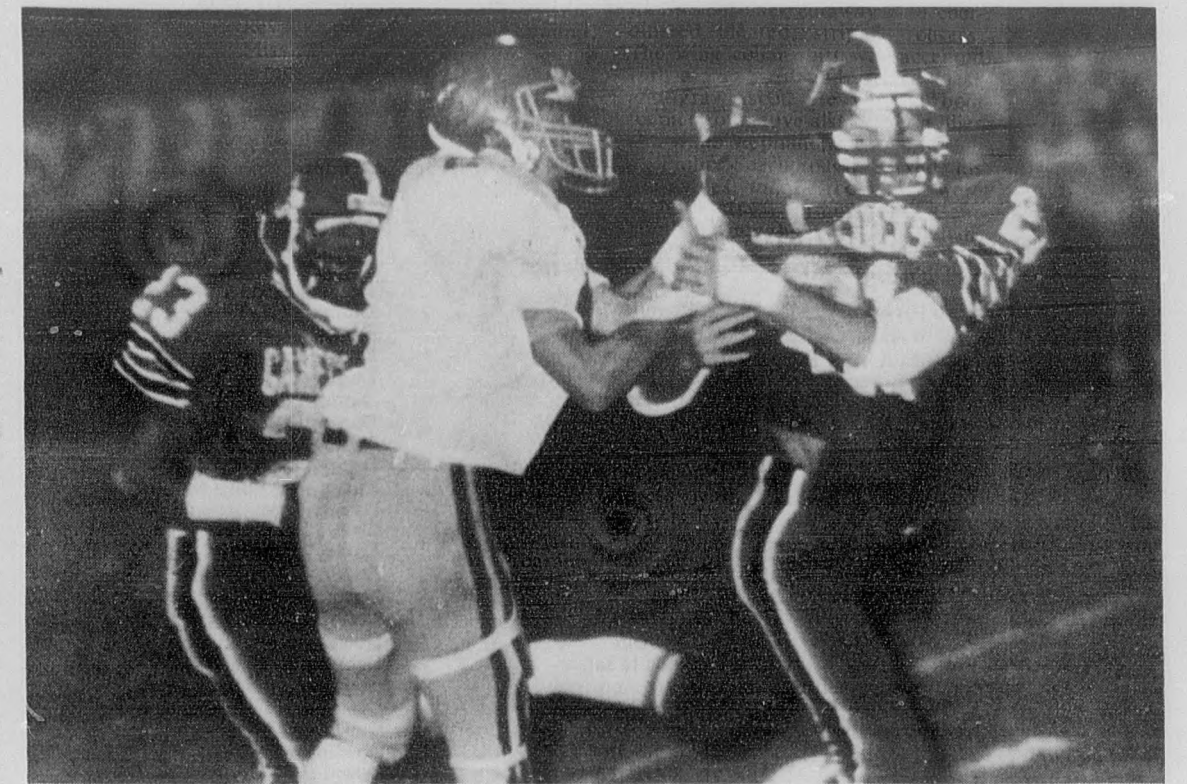

Later in the third quarter, Z.C. took over on their own 5-yard line and marched to three more first downs before Kenny Griffin intercepted a Sean Collins pass at the Gamecocks 22-yard line.

Three plays later, Louis Page galloped 61 yards untouched for his second touchdown of the night.

The extra point failed, leaving the score - New Brockton 35 - Zion Chapel 0.

There were two more turnovers before the end of the game as Scott Maddox made a fine catch on an interception for the Gamecocks and Stacy Faison fell on a fumble for the Rebels.

This victory for New Brockton

New Brockton's Kenny Griffin (21) steps in front of a would-be Zion Chapel receiver to intercept a pass in last week's 35-0 win over the Rebels. The win upped New Brockton's record to 10-0 and gave the Gamecocks their second straight Class 2A Area 5 championship.

marked the first time in the school's history that a team went through the regular season with a perfect 10-0 record.

Congratulations!

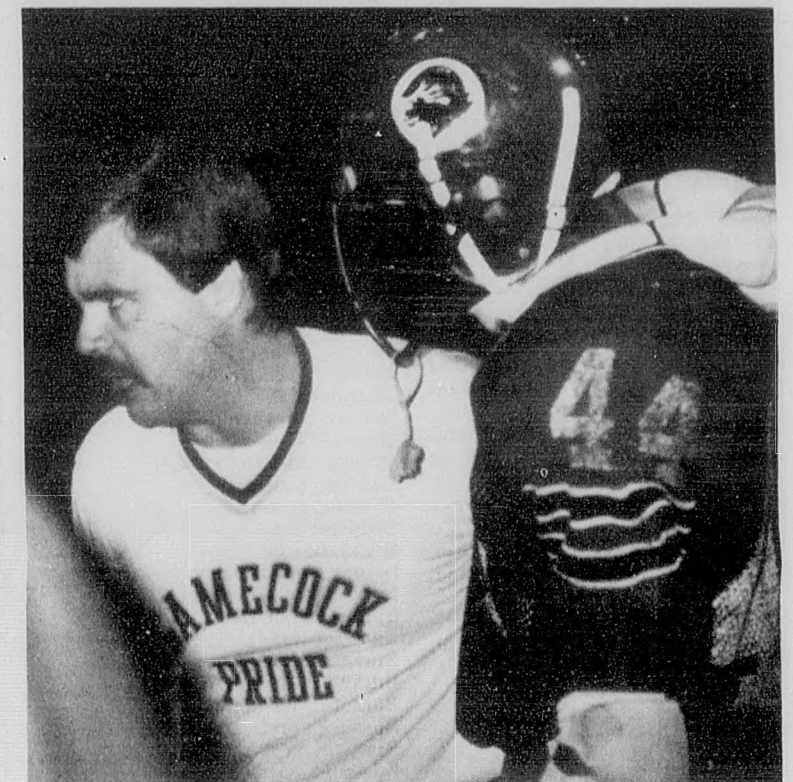

NB	1st Downs	ZC

70	Penalty Yds.	38
3/30/0	Punts/Ave	6/34.5

Louis Page was the game's leading rusher with 135 yards on 11 carries. On Burrows added 76 yards on 7 totes, while Robert Kilow picked up 45 yards on 8 tries.

Thomas Boswell paced the Rebels' ground attack with 20 yards on 7 attempts.

Freddie Culver caught 6 passes for Z.C. while Boswell and Pete Bryan each hauled in 4.

The Gamecocks open the playoffs this Friday night at home against D.C. Wolfe.

Intensity shows in the face of New Brockton Coach Leavy Boutwell as he prepares to send in a Gamecock with a play.

Boat Owners Have 45-Day Grace Period To Register Boats In Alabama

Marine Police Director William B. Garner of the Dept. of Conservation and Natural Resources reminds boat owners, dealers and livery operators that all 1987 boat registrations expired Sept. 30. Owners are permitted a 45-day grace period for registering their boats for FY 1987-88.

After Nov. 15, anyone operating a boat, required to be licensed, without a current 1988 registration will be violating Alabama state law. Boats requiring registration include all mechanically propelled

vessels, all sailboats - regardless of size - and all rental boats.

Boat owners may register, re-register, or transfer ownership of their boats at any county probate office, license commissioner office, or at the Montgomery Marine Police office, 64 N. Union Street.

All dealer licenses and livery licenses must be registered through the Montgomery office. Any questions should be referred to the Marine Police Division in Montgomery at 205/261-3673.

By: Steven W. Barnett

The primary factor limiting quail populations in Alabama is suitable habitat. Quail cannot thrive without ample nesting, escape and roosting cover. Availability of important quail foods is probably the second most important factor.

Landowners can maintain or improve habitat conditions favorable for quail by prescribed burning, disking, thinning, clearing and supplemental plantings.

Prescribed Burning - Prescribed burning in pine woodlands removes excess litter and allows germination of legumes such as lespedeza, butterfly pea, milkpea, partridge pea and beggarweed. Alternate strips should be burned in idle field habitat to provide diversity. Disk a circle ("ring-around") around plump thickets, blackberry patches, sumac clumps and other habitat components already present.

February is the best month to burn; use a backfire if possible. Consult your local forestry commission representative prior to burning.

Disking - Disking stimulates growth of many natural quail foods and cover plants. Alternate strips disking in idle field habitat create transition zones resulting in excellent nesting habitat. Edges of cultivated fields, which are typically

unproductive, should be left to grow up in native vegetation and maintained through disking or burning.

Meandering strips disked along contours in woodlands also provide diversity. Disked strips should be 20 to 30 feet wide. One acre of disked land per 12 acres is recommended.

Thinning - Woodlands managed primarily for pine production should be allowed to reach merchantable size before thinning. The overstory

canopy should be relatively open to allow sufficient sunlight to reach the forest floor, facilitating growth of important legumes. A basal area of 50 square feet is recommended.

Clearing - Openings should be created in large unbroken woodlands. These areas will provide nesting and feeding habitat. Clearings should be at least one acre. One opening per 12 acres of woodlands is recommended.

Recommended quail foods are lespedeza, partridge pea, millet, grain sorghum and corn.

We sincerely thank the people of Elba and surrounding communities for making us feel so genuinely welcomed when we opened our latest unit on Claxton Avenue in May of this year. We regret that we cannot maintain a home in Elba but our other Mr. Pizza units demand that our location be more central to them all.

With the same enthusiasm with which Dan and I personally trained our Elba crew, we are in daily contact with the restaurant manager and frequently spend time in our restaurant there to assure that your continued satisfaction is guaranteed. It is difficult living so far away from one's business when you are as dedicated to customer satisfaction as we are. For this reason we encourage you to use our customer comment cards that can be mailed directly to us. If you are ever dissatisfied for any reason or want to make a suggestion, we want to hear about it!

In recognition of Elba's annual Fall Festival and in appreciation to those of you that extended a hand to us as strangers coming into your community.

WE ARE PLEASED TO OFFER THIS FESTIVAL SPECIAL
Thank you from both of us - DAN & JERI CRABTREE, Owners

Suttley Named Manager Of The Year

(From the Troy Progress)

Wayne Suttley, manager of Skinner Furniture in Troy, was recently honored by being selected as "Manager of the Year" out of the 36 other Skinner stores in Alabama, Georgia and Florida.

Suttley began his career with Skinner 16 years ago as a floor salesman in the Elba store. From there he went to desk supervisor and then moved up to assistant manager.

In 1982 Suttley was transferred to Troy as manager of Skinner Furniture in Troy. Suttley said the award he received was based on several categories,

including best profit of sales, best percentage of earnings toward purchases, least operational expenses as of cash and percentage of profit of merchandise sold.

In addition to a plaque, Suttley had the choice of a cruise of \$1500.

He credited his employees with helping him obtain the award. "Without them there's no way we could win that. It's a team effort," he said.

He and his wife Chris have a 4-year-old son, Clay, and are members of the First United Methodist Church in Troy.

Department Of Public Health To Reorganize Rules Concerning Sewage Disposal Systems

In an effort to clear up some long-standing problems concerning the rules governing Alabama's onsite sewage disposal systems, the Alabama Dept. of Public Health has proposed a reorganization and

revision of the current rules.

Tentative plans are to submit a draft of the proposed changes to the State Committee of Public Health in mid-December and obtain authorization to hold public hearings in February, 1988, throughout the state. The goal is to implement the rules by summer, 1988.

In addition to the public hearings, the department is soliciting comments from interested individuals, groups and associations throughout Alabama who may wish to have input into the earliest stages of development of the new rules.

"The citizens of Alabama deserve to have the best onsite sewage disposal rules available,"

says Michael G. Cash, director of the department's Division of Environmental Health. "We want to develop a set of rules that will protect the public's health while using current and newly-developed technology and expertise to correct existing problems and to allow for future development."

Copies of the current rules are available for a minimum fee plus postage and handling from the Legal Division, Alabama Dept. of Public Health, 651 State Office Building, Montgomery, Ala. 36130-1701, 205/261-5105.

The "Kinston Marching Pride," under the direction of band director Terry Spader, recently attended the Daleville Band Classic and the Opp Little Big Horn Marching Festival and received Superior ratings. Drum major and band also received "Best in Class" award at the Little Big Horn Marching Festival. Pictured L-R: Heather Wise and Cindy Weeks, colorguard representatives; Lance Russell - band president; Wesley Thompson - vice president and drum line representative; and Kim Bess - drum major.

SouthTrust's First Rate CD Takes Up Where The Others-

Leave Off

As interest rates go up and down, wouldn't it be great to lock into an investment where you knew you would earn at an interest rate the same or better than what you started with?

That's the idea behind SouthTrust's First Rate CD. The competitive rate you start with can go up, because it's based on the three-month Treasury Bill average auction rate and adjusted quarterly to maximize your investment. If the index rate goes up during the one- or two-year term, so will your First Rate CD interest rate. And it will never drop below what you started with. So your interest rate will be the same as or better than what you started with. You either earn at the present rate or your purchase rate, whichever is higher. And that helps you maximize your growing investment.

You can keep adding to your First Rate CD during the term of the investment, without extending the original maturity date. Your minimum initial investment is \$2,500.

So get the CD that takes up where others leave off—the SouthTrust First Rate CD.

The Elba Clipper

VOLUME 91

THURSDAY, NOVEMBER 12, 1987

ELBA, ALABAMA

25 CENTS

1 SECTION 14 PAGES [Plus 2 Adv. Inserts]

NUMBER 19

DOWLING HONORED... Mrs. Mary Dowling was honored with a reception last weekend recognizing her 17 years of service as librarian at the Elba Public Library. Pictured above making presentation to Mrs. Dowling are Elba Mayor Bob English and Mrs. Doris Taylor, representing the Elba Library Board.

Dowling retires as librarian

Mrs. Mary Dowling, who retired as librarian at the Elba Public Library on Oct. 30 after serving in the post for 17 years, was honored with a reception on Sunday, Nov. 8, that drew over 140 guests and well-wishers.

Mrs. Dowling began serving as librarian at the public library in 1969

and became a popular host to the thousands of visitors to the library who asked for and always got special attention.

Special plaques were presented to Mrs. Dowling by the City of Elba, the Elba Library Board and the Regional Library Council.

Nursing Home bazaar set for Nov.21

The Elba Nursing Home annual Christmas Bazaar will be held Saturday, Nov. 21, from 9 a.m. until 2 p.m.

Featured items will include hand-made items by the residents; baked goods, and an afghan to be given away by donations.

Turkeywalk set for Saturday in Elba

The American Heart Association Turkeywalk will be held Saturday, Nov. 14. The event will be sponsored by the Elba unit.

The event will begin at 9 a.m., and walkers of all ages are expected. Walkers will meet at the parking lot of First Assembly of God to register at 8 a.m. There will be a \$5.00 registration fee with each walker to receive a Turkeywalk T-shirt free.

According to Lois Holt, chairperson, the funds raised through Turkeywalk donations will support the American Heart Association's research, public and professional

education, and community service programs. However, Turkeywalk also presents another message, Mrs. Holt added.

"We're trying to spread the word that walking can help people get physically fit and condition their lungs and hearts, and it's an activity the entire family can enjoy."

Also, the walk will point out that a diet including low-fat poultry such as turkey is important not only around the holidays but all year.

Walkers who collect pledges of \$50 or more will get a certificate for a free turkey.

See'ya at the game.....

IF YOU'RE GOING TO THE ELBA-WEST BLOCTON FOOTBALL GAME, FOLLOW ME... Any red-blooded Alabama fan can tell you how to get to Centerville, so here's how you get to West Blocton from there! Stay on 82 through Centerville, and as you are leaving the city there will be a 4-way stop. Take a right on Highway 5 North and travel approximately 13 miles until you come to a blinking light. Take a right at the blinking light and after you go over a hill the school and stadium will be on the right.

The stadium at West Blocton has new aluminum bleachers which seat 1,000 people and school officials state that while the visitors' bleachers are comfortable, the aluminum will get cold on a chilly night and the wind will blow underneath the seats, which would suggest fans bring a blanket!

Elba fans planning to eat in Centerville will have a choice of several places, with the best perhaps being Twix and Tween Barbecue. Other places to eat include a Hardee's, the Saw Mill Restaurant (located to the left at the 4-way stop on Hwy. 5), J.J.'s Pizza and Church's Fried Chicken.

Please drive carefully!!!

Commission votes to rescind offer & pursue plans to build new health office in Enterprise

The continuing saga of a new health department building for the City of Enterprise was again the main topic of discussion at Monday's meeting of the Coffee County Commission, and after over an hour of heated debate and numerous motions the commission voted to rescind its earlier offer of \$240,000 to purchase a building in Enterprise and pursue a plan to construct a new building within the city limits of Enterprise.

The commission had voted at its last meeting in October to make an offer of \$240,000 toward the purchase of an old Masonic Lodge building in Enterprise; however, the vote was 3-2 with one commissioner abstaining and another being absent, and while the offer was made, it was clear the commission differed on the action, and at Monday's meeting the need of a new building was the major issue of discussion.

Commissioner Billy Egerton stated he had studied the health department problem and determined that a new building would cost approximately \$288,000, compared to \$240,000 offered for the 27-year-old building under consideration. He made a motion to void the offer made for the Masonic Lodge building at the previous meeting and to construct a new county building in New Brockton to house the entire county health department, Human Resource Department and Food Stamp office.

The building would be built at a site near the Senior Citizens building and the key at no charge. The offer of \$240,000 included prime land and a parking lot, which makes the site would be at the Farm Center complex, also in New Brockton.

Commissioner Bill Faulk, one of the three commissioners to vote for the purchase of the old Masonic Lodge building, stated, "I have considered all alternatives and feel the building we have offered to purchase is the best possible

solution. "The building includes the parking lot and land at the site and when these things are considered the offer is even more attractive. We didn't jump into making the offer at the past meeting; the commissioners that voted to make the offer did so after many hours of consideration and discussion.

"I don't think we should place an inconvenience on the people of Coffee County by closing both health departments in Elba and Enterprise, as well as closing the Human Resources Dept. in Elba and making everyone travel to New Brockton. It's not right to inconvenience the people of the county for the convenience of county government. The departments under consideration need to be where the people are."

Commissioner Jimmy Bryan said, "I think by combining all three offices it will make it more convenient for everyone! The way it is now - if you want to visit a health department office you must travel to Elba or Enterprise, while if you need the Human Resource Dept. you go to Elba, and if you have food stamp business you have to go to New Brockton. By placing the departments at one central location, it will make the offices convenient."

Commissioner Sid Averett, a long-time advocate of a need for a new health department office in Enterprise, declared, "I don't think Jimmy Bryan would go along with a new health office in Enterprise if the City of Enterprise gave the building and the key at no charge. The offer of \$240,000 includes prime land and a parking lot, which makes the site would be at the Farm Center complex, also in New Brockton."

Commissioner Robert Stevens stated, "I will never vote to move any county office out of Elba! I didn't vote at the previous meeting because I didn't know enough facts to make an honest decision that would be in the best interest of all of Coffee

County, but after much thought and prayer I believe we can construct a new building for the same price it would take to buy the building in question. I will vote to rescind the offer already made, but I will not vote to close the health office in Elba or to move any office out of Elba."

Commissioner Eugene Bradley stated, "I'll agree to rescind the offer to purchase the building in question, but like Commissioner Stevens I can't vote to close the offices in Elba. I think the commission should accept the 23 acres offered by the City of Enterprise and build a new health office on the site for the Enterprise Division of Coffee County."

It was reported that the county's maintenance engineer had suggested that it would cost approximately \$78,000 to construct a brick front and the walls and roof on a building the size of the building the offer was made on, and while it didn't include any inside work, the total construction cost would be near or less than the purchase price of the building under consideration.

"It would cost \$100,000 alone just to build a parking lot at a new building," stated Commissioner Averett, "and I feel that before we're through constructing the new building the total cost will be over \$500,000. I think the move to construct a new building and rescind

the offer already made is no more than another delaying tactic, and I doubt if we'll ever see anything positive come out of the plan to build the new office."

Egerton's motion was defeated by a vote of 5-2, with only Egerton and Bryan voting for its passage.

Commissioner Egerton made another motion following the defeat of the first motion, and in the second motion stated that the county rescind the offer to purchase the Masonic Lodge building and accept the land offered to the commission from the City of Enterprise located on Highway 167 and construct a new health department for Enterprise consisting of 11,300 square feet at the site. If the site was not available, an alternate site would be studied near the bypass.

The commissioners also discussed the second motion at length, with both sides that disagreed with the earlier motion again stating their reasons; however, when the vote was taken, the motion passed by a vote of 4-2, with Egerton, Stevens, Bradley and Averett all voting for the plan.

Averett stated that he was still in favor of his original plan, but felt the second motion at least the health department would get a new home and then jokingly threatened to "choke any commissioner who didn't follow through with the plan."

Commission agrees to add two employees to grievance committee

The Coffee County Commission met in regular session on Monday, Nov. 9, at the courthouse in Enterprise, and with the exception of a discussion about the need for a new health office in Enterprise (see related article) handled only routine business.

The first order of business was to open bids on a pickup truck for the engineer, with the low bid coming from Capital Chevrolet of Montgomery, in the amount of \$12,549. The bid was almost \$1,000 lower than the next low bidder and was accepted.

Bid on metal pipe was also awarded to Chocaw, Inc. with a total amount of \$17,152.06, while other bids accepted went to Chocaw, for pre-fab concrete panels and U.S. Steel, for steel pilings.

In other action at Monday's meeting, the commission:

***adopted a resolution proclaiming Farm-City Week in Coffee County;

***was told that the county could receive a rebate of up to \$2,000 in an

overage paid on crude oil;

***approved a request from Ozark Striping to extend the deadline for completion of a contract and also approved a request for partial payment;

***approved a request to send out bids for a security fence to be erected around the county shop in New Brockton;

***awarded the contract for health insurance and liability insurance for the county to a plan offered by the Association of County Commissioners of Alabama;

***approved the financial statement for the past fiscal year;

***unanimously approved a motion that the commission work together in unity to see to it that a new health department office is built in Enterprise;

***approved a request to add two members to the county's grievance committee, with the two new members coming from the county work force and not being employees serving in a supervisory capacity.

FARM-CITY WEEK PROCLAIMED... The Elba City Council proclaimed the week of Nov. 19-26 as Farm-City Week in Elba. Present at the signing of the proclamation

were (L-R): Waylon Sharpless, Frances Williams, Bob English, Gladys Yelverton and Jack Prescott.
